Please check back in mid-October for information on the 2022 Scholarship Program. Up-to-date information will also be posted on our website's News section, as well as Facebook, Twitter and Instagram.

Each year, Associated Orthodontists awards five (5) \$1,000 scholarships to current and past patients who received full braces. Scholarship awards are applied directly to tuition at a college, university, vocational training or technical schools.

Applications are reviewed by Associated Orthodontists, and winners are chosen based on the submitted essay, academic achievements, and participation in school and community activities.
